LIFT 2024

LIFT2024.Eventbrite.com

LIFT is a college and career readiness conference that helps students understand how to navigate life after graduation. Whether graduates are first-generation college students, go into the military, or start their careers, LIFT prepares students for what's next. The conference:

- provides workshops for pre-K through 12th-grade students and their caregivers
- provides interaction with careers through conversations and hands-on activities
- teaches attendees about financial aid, scholarships, and money management
- brings college, certifications and military enrollment specialists onsite.

Saturday, April 13, 2024

8:00 AM until 2:00 PM | **Tates Creek High School**
